

## **National Community of Practice on Secondary Transition Webinars**

### **February 8, 2017 – Pre-Employment Transition Services**

The Workforce Innovation and Opportunity Act (WIOA) requires vocational rehabilitation (VR) agencies to set aside at least 15% of their federal funds to provide “pre-employment transition services” to “students with disabilities who are eligible or potentially eligible for VR services.” During this webinar, offered in collaboration with the National Community of Practice on Secondary Transition, presenters from across the country present examples of effective strategies, activities and resources that are currently being implemented in a variety of states to meet the five required pre-employment transition services areas.
