

Using Maryland Seamless Transition Collaborative (MSTC) practice to Increase Opportunities for Competitive, Integrated Employment for Students and Youth with Disabilities

What is the level of evidence?

This practice was identified by Rehabilitation Research & Training Center for Evidence-Based Practice in Vocational Rehabilitation (RRTC-EBP VR), and has been labeled by NTACT as a Promising Practice. *More information on NTACT's process for identifying effective practices is available here: [NTACT's Effective Practices](#).*

What is the practice?

This model was a partnership between Maryland Department of Rehabilitative Services and TransCen, Inc. and focused on interagency collaboration, provision of transition services, and at least one paid work experience for transition-age youth.

Where is the best place to find out how to do this practice?

The Special Issue from the Journal of Vocational Rehabilitation is available through the website of the RRTC-EBP-VR here:
